GLYCATION FIGHTING FORMULA

■ Acacia Leaves

An ingredient that is naturally excellent at fighting the effects of aging and glycation, while **revitalizing the skin**.

■ Green and White Tea Leaves

They have more polyphenols and potent **antioxidant agents** that provide real protective and repairing action.

■ Exclusive rice - based formula

The starch in our smart mix has beneficial properties, when combined with the other ingredients, boost the **antioxidant and anti-inflammatory effects**, increasing collagen and elastin production.
