Did you know?

- Lower A1C by just 1.0%
 - reduce the risk of diabetes related death 21%
 - reduce the risk of blindness and nerve damage by 37%.

Did you know?

- Results from a medical study using PXP Royale:
“After 3 months on PXP Royale (no other changes),
average decline in A1c was 1.1 (15%)”

Did you know?

According to the Alzheimer's Association

- More than 1 in 9 people over 65 have Alzheimer's
- 34.6% of people age 85 and older have Alzheimer's.

Did you know?

- Conclusion from a study performed by Emory University in conjunction with others:

Did you know?

“ PXP may promote cellular mechanism in memory and neuronal survival and may be ...a possible use for preventing Alzheimer's disease.”

Did you know?

- Over 4 million people have died recently from the COVID-19 virus.

Did you know?

- US NIH evaluated the form of humic and fulvic acids used in Alfa HFI and stated that:

Did you know?

“Alfa HFI had efficacy on all major viruses they tested: AIDS HIV, hepatitis C, chicken pox/shingles, herpes simplex 1 & 2, & H1N1 influenza (the flu)”

Its time...

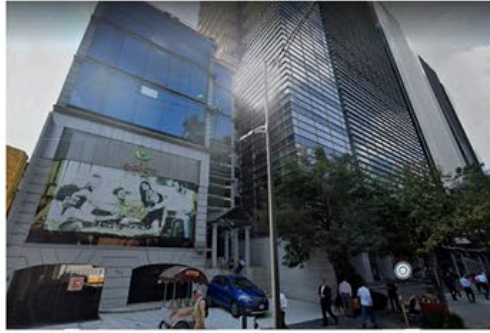

Its time we opened our minds and started researching every option that could possibly help our bodies defend itself from our environment and repair the damage we do to it every day.
